EGGS, ELEPHANTS AND ELVES TO TAKE OVER MCLEOD COUNTRY GOLF CLUB

Members of the local McLeod Country Golf Club will be taking part in their annual "Dress up Day" on Wednesday 9 December.

Each year, the 120 ladies who play in the Wednesday Competitions end off the year of formal competition with a fun dress up day that includes 9 holes of golf followed by lunch.

According to President, Deborah Marsland, what really makes the day exciting is the costumes that members go to great lengths to create.

"Every year a letter of the alphabet is selected – this year it is the letter 'E' - and the teams of ladies have to dress up as something starting with that letter," she explains.

"Last year the letter drawn was 'A', and we had teams dressed up as Alice in Wonderland, All Blacks, and Aging Airline Virgins! I can't wait to see what everyone comes up with this year."

Ms Marsland said that outfits could be as elaborate as the imagination allowed, and often the ladies incorporate their golf cart into the theme, by dressing it up as well.

"The only catch is that the teams have to stay in their chosen outfit during the entire competition!"

Dress up Day will be followed with the club's AGM, which will see the election of a new President, among other positions of the board which will become vacant.

McLeod Country Golf Club is located in the picturesque western suburbs at Mount Ommaney, approximately 15 minute drive from the city of Brisbane and is accessed easily by the Centenary Highway.

To this day, it remains the first and only golf club fully administered by women in Australia and quite likely the Southern Hemisphere.

Today both women and men make up the 1000 + membership, enjoying the strong camaraderie and fellowship as well as a challenging game of golf on the 18 hole course.

McLeod hosts several prestigious events each year from Pro-Ams to two day corporate events. The club fields pennants teams in both male and female competitions, with beginner and junior groups strongly supported with special clinics scheduled weekly to cater for all levels of ability.

Ends.
