McLeod 'Everyday Hero' Honours

In our jubilee year it is poignant to reflect and consider recognising the men and women who have, for whatever reason, made a valuable contribution to McLeod. Without the foresight of our founding members we would not be the organisation we are today. However, without the continued support, help and dedication of our Boards, management, staff, volunteers and members over the past 50 years, this dream could not have become and remain a reality. A shared vision, a selfless act, a wish and desire for the future of the Club has underpinned the charter and vision that is McLeod. Without each volunteer's contribution in one way or another, the Club would not be the organisation it is today, about to celebrate 50 years.

So, in our Jubilee year, we will recognise five men or women, be they members or public volunteers, as McLeod Everyday Hero Honours. Induction into the "Everyday Hero Honours" will be by a nomination process through a 400-500 word nomination, supported by 2 referees and judged by a selection panel comprising both members and other stakeholders. The nomination will remain confidential and be announced at the Gala Dinner on 22 September 2018.

The Board sees this Jubilee year at a time to reflect on the many individuals, groups and supporters who have worked tirelessly to ensure the success of our Club. Whilst every individual in some way has contributed to the Club there are some special people within the group who have made a significant contribution over many years and we will recognise five of them this year. This Hall of Every Day Hero Honours will be continued into the future with two successful candidates being recognised each year in the future, and announced on Anniversary Day.
