Foursomes 1/2 Combined

Texan Fourball

Ambrose: - The rules of play and handicapping arrangement shall be as determined and advised by the Fellows Match Committee prior to the event.

COMPETITION DEFINITIONS

Canadian Foursomes:

This event is played with partners playing alternate shots with the one ball from tee to holing out. Both players hit off all tees, then decide which ball they will play. The handicap allowance is 3/8 of the combined handicaps.

Chapman Foursomes:

Played in a similar manner, except that each player plays 2 shots with her/his own ball before deciding on the ball to be played out. The handicap allowance is 1/3 of combined handicaps.

American Foursomes:

As above, except that the players cross over and play the second shot with their partner's ball before deciding. Handicap allowance is 1/3 of combined handicaps.

Ambrose:

This is played as a team, with every player teeing off. The best ball is selected and the other team members place within one club length and all hit again. This is repeated until reaching the green, where the best ball is selected and marked and the other team members place their ball within one card length. Repeat until holed out. 4 ball Ambrose at least 3 tee shots must be used from each player. 2 ball Ambrose at least 6 tee shots must be used from each player.

Handicap v Par:

This event is played against the par of the course. Full handicap. The handicap is deducted from the score recorded. If above par result is -; if equal to par result is square; if below par result is +; the card with the highest + rating wins.

Handicap v Par with Bishes:

Scoring in this is the same as handicap v par but with strokes being taken where chosen, rather than by index. Any number of strokes may be used on any hole until the total allowable strokes are used.

4 Ball Alliance:

Best 3 scores out of 4 to count on each hole.

4 Ball Aggregate Stableford:

Both stableford scores added together on each hole. Handicapping will be applied as per single events.

LIGHTNING RULES

Three short blasts of the siren (Repeated) - finish the hole and return to the clubhouse.

One long siren blast - mark your ball and return to the clubhouse immediately.

Two short blasts of the siren (Repeated) – OK to play

- Sand buckets are to be used by all players.

INSURANCE

Members are advised to carry their own insurance on golfing equipment left on Club premises.

Members are advised to carry personal liability against property damage.

TIPS TO PROMOTE FASTER GOLF

- The player nearest the hole should attend the flag, then pass it to the first player to hole out, then go and appraise his/her own putt.
- The player who has the honour should hit off before marking the card. Other players should mark the card whilst waiting their turn to hit off.
- Players should leave buggies on the side of the green nearest to the next tee, **nowhere else**.
- Players should walk directly to their own ball or level with same and select club to be used whilst waiting for others to play their shots.
- Players should consider those following them. Players having trouble and holding up other players should call

them through so that all can enjoy the game. Courtesy and thoughtfulness pay dividends on a golf course.

- Players should call the following group through when a ball is hit into the rough and **cannot immediately be found**. It is not only golf etiquette, but a ruling of your Match Committee.
- If a player is in doubt as to the location of the ball following a shot, she/he should play a provisional ball before going forward to search, (exception – ball presumably in water hazard).
- When play of the hole has been completed, players should immediately leave the putting green.
- **KEEP UP WITH THE PLAYERS IN FRONT. IT'S UP TO YOU.**

MOTORISED BUGGIES

The following rules apply for Members:

- Motorised carts may not be used in championship or honour board events without the prior permission of the Match Committee and on presentation of a doctor's certificate. The doctor's certificate must be renewed each year. Players over 65 years of age do not require a doctor's certificate.

The following rules apply for Fellow Members:

- Motorised carts may be used in any Fellow Members' Committee run competition, Honour Board or otherwise with the exception of the Fellow Members' Club Championship A Grade & the Junior Fellow Members' Championship whereby the use of carts is limited to those players

over the age of 50 unless a medical certificate has been lodged with the Committee prior to the event.

The following rules apply to all:

- Not to be driven within 10 metres of tees or greens
- Not to be driven inside the blue lines.
- To be driven slowly.
- Avoid damage from overhanging trees.
- **Any driver of a motorized buggy must be the holder of a current motor vehicle licence.**
