# McLeod helps drive the future of golf

WITH the sport of golf becoming increasingly popular with youngsters, McLeod Country Golf Club held a children only school holiday clinic last week.

The clinic gave the keen youths an opportunity to work all aspects of their

game, from putting and chipping through to driving.

The club offers lessons for children with club pro Richard Harris, as well as a yearly membership for the course.

“Children under the age of 12 can join McLeod for only

\$154 for the whole year, a great value sporting option for kids,” he said.

Membership is open all year round and bookings for future clinics can be made by contacting Mr Harris on 3376 3922.
