GARDEN GIRLS AT LOCAL GOLF CLUB SEEKING YOUNG BODIES

The “Garden Girls” who meet once a week to help with simple gardening tasks at Mt Ommaney’s McLeod Country Golf Club are currently seeking new members.

The group of approximately ten local ladies has been meeting once a week for the last ten years to look after the attractive gardens of the golf club, assisting with simple gardening tasks like pruning, raking and general cleaning up around the clubhouse.

“The girls are looking for some young bodies who are happy to volunteer their time and to join their ranks, as age is starting to catch up with them,” Coordinator of the group,....., said.

Mrs assured those who were interested that they didn’t need to be landscape gardener.

“You don’t need to know a flower from a weed, we leave that to the experts, and all gloves and tools are provided. All we are looking for are people who would like to spend some time in the fresh air surrounded by good company, anytime between 7.30am and about 10.30am on Tuesday mornings,” she said.

The “Garden Girls” at McLeod Country Golf Club enjoy morning tea together between their tasks, and every couple of months take a day off to do something fun together, such as fishing.

However, Mrswas quick to reassure any potential “Garden Boys” that men were most certainly welcome.

“I am sure the Garden Girls would enjoy and appreciate the company of any new members, local or living a bit further out of town, young or young at heart, girls and boys alike.”

McLeod Country Golf Club has recently celebrated its 40th anniversary, and remains the first and only golf club fully administered by women in Australia for the enjoyment of all its players.

Today women, men and children make up the 1000-plus membership, enjoying the strong camaraderie and fellowship as well as a challenging game of golf on the 18-hole course.

McLeod Country Gold Club hosts several prestigious events each year from Pro-Ams to two day corporate events. The club fields pennants teams in both male and female competitions, with beginner and junior groups strongly supported with special clinics scheduled weekly to cater for all levels of ability.

Membership is open year round.

Ends.
