NINE AND DINE AT MCLEOD COUNTRY GOLF CLUB

Local residents are encouraged to enjoy a game of nine holes at McLeod Country Golf Club, and finish off their Friday afternoon with dinner at the club.

According to Club Manager, Michael Richards, many local Western Suburbs residents are not aware that McLeod Country Golf Club offers Friday night dining.

“The Club is open for dinner on Friday nights, and those who come really appreciate not having to drive very far for a reasonably priced and tasty meal,” he said.

Mr Richards said dinner is available for both members and non-members, and those who are not keen golfers are most welcome.

“Aside from the fact that we offer diners the opportunity to have a quick round of golf prior to dinner, the club provides a friendly family atmosphere and a chance to become involved in your local community,” Mr Richards said.

The menu includes a variety of options to suit most pallets, including steak, fish and chicken and meals are priced between \$12 and \$24.

“We are also currently offering diners a free bottle of wine with every two main meals purchased,” Mr Richards said.

McLeod Country Golf Club has recently celebrated its 40th anniversary, and remains the first and only golf club fully administered by women in Australia for the enjoyment of all its players.

Today women, men and children make up the 1000-plus membership, enjoying the strong camaraderie and fellowship as well as a challenging game of golf on the 18-hole course.

Membership is open year round and the nomination fee for April/May has been dropped from \$660 to only \$100.

Ends.
